**2024-25 (Term II)**

**Dear Parents,**

**Education is more than lessons in a classroom. It's a journey filled with curiosity, creativity and collaboration. This newsletter is a celebration of our journey – a place to highlight achievements, share important updates and look ahead to exciting opportunities. Education is a collaborative effort, where students, teachers and staff come together to create an environment of growth and excellence.**

**Through teamwork and support, we empower our students to dream beyond boundaries and confidently embrace every challenge.**

**As we continue this journey together, let us remember that every effort, no matter how small, contributes to the bright future we envision for our students. We appreciate your support, your involvement and your belief in the power of education. Enjoy reading, and let's keep making magic happen.**

We extend our sincerest gratitude to our dedicated PTA members for their tireless support and contributions to making our School Annual Day a resounding success!

Your enthusiasm, guidance and assistance were invaluable in helping us create unforgettable memories for our students, staff and parents.

Thank you for being an integral part of our school community!

## Festivals and Celebrations

Festivals and celebrations are an essential part of our lives, bringing joy, unity and a sense of belonging to communities across the world. From colourful parades to heartfelt family gatherings, these special occasions allow us to reflect on our traditions, honour our heritage, and create lasting memories. At SKKES, we embrace the diversity of festivals and cultural celebrations, recognizing that each one has its own unique significance and beauty. In this newsletter issue, we take a closer look at the different festivals that light up our year, bringing together students, families and communities in celebration and cheer.

# Children's Day

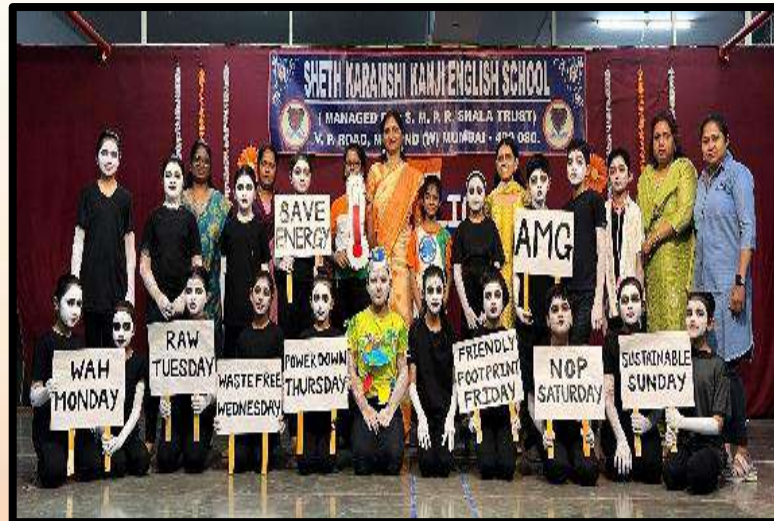

Children's Day was celebrated on 14<sup>th</sup> November 2024 to foster an inclusive environment where all children feel valued and respected. Students of Std. 1 and 2 coloured the pictures related to Children's Day while students of Std. 3 and 4 were asked to write about any one quality of their classmates on a paper plate which helped them learn new adjectives and descriptive words to express their thoughts. They were also shown movies which evoked their emotions, happiness and achievements.

# Republic day

Our school celebrated the 76<sup>th</sup> Republic Day with great enthusiasm. A captivating miming act that conveyed a powerful message was performed by Std. 4 students. They presented the thought "Vikas and Virasat" that highlighted the unintended consequences of our progress on the environment. The young performers encouraged us to adopt sustainable practices, inspiring us to work towards a brighter future for ourselves and generations to come.

# New Year Resolutions

**“Your own resolution to compete is more important than any other”.**

A Resolution is a promise to yourself that you will make a serious effort to do something that you should do and to be determined to follow through with your promise. As the New Year 2025 began, Teacher Shreya explained in detail about the resolutions that can be followed to achieve the ‘Sustainable Goals’. All the students and teachers collectively decided to follow a schedule from Monday to Sunday like: Gratitude Day – to spread kindness with magical words. Plastic free day – to collect and responsibly dispose of all the plastic waste, etc.

# Fun Trip

The much-awaited Fun Trip for Std. 1 and 2 was organized on 24<sup>th</sup> December 2024 at Tikunjiniwadi. The students spent the day enjoying the rides at the amusement park and the delicious food at the resort. It was an unforgettable experience amidst nature where students bonded and created beautiful memories.

# Fun Trip

The students of Std. 3 and 4 were taken for a class picnic to Monteria Village on 24th December 2024. With their bags packed with snacks and excitement in their hearts. On reaching the park, the children enthusiastically explored the alluring beauty and bounties of nature. The nature walk helped them to observe different types of plants all around them. The day was well spent enjoying, singing and interacting with each other. They played different games like skipping, kho-kho, tug-of-war, cart rides, shooting balloons, pottery, papad making, cobbling etc. The visit to the park and the cool refreshing pool, was a memorable one and it motivated the students to take care of their environment and to maintain cleanliness around them. It was a wonderful opportunity for all the children to strengthen their bonds and everyone came back to the school rejuvenated.

# Annual Concert

**This year's annual concert took place on 19<sup>th</sup> December at Kalidas Auditorium. Annual Concert theme, The 'D-Route', was a resounding success! The program was a masterfully crafted journey that embodied the spirit of the theme, taking the audience on a captivating adventure. The students of Primary section rocked the stage by their performances. The audience was thoroughly entertained and the atmosphere was electricifying. The seamless blend of music, dance, and drama wove a spellbinding narrative that explored the concept of The 'D-Route' in all its facets.**

# Annual Sports Meet

The Annual Sports Meet remains a standout event as students and parents alike showcased their sporting spirit and enthusiasm. The event was fun – filled day of sports, teamwork and bonding.

Annual sports event took place on 29<sup>th</sup> and 30<sup>th</sup> January 2025.

On the 30<sup>th</sup> various games for parents were organized. Total 17 teams participated. The mothers' teams and fathers' teams were separate. Some games were individual, while others were group-based. Everyone participated with great enthusiasm and the cooperation among them was excellent. Medals were awarded to the winners in each game.”

The Annual Sports meet 2025 was held on January 29<sup>th</sup> and 30<sup>th</sup> at Kalidas Turf. On the 29<sup>th</sup>, the semi-finals of all the games took place. The event featured various games, including the running race, hurdle race and barrier blitz races.

On 30<sup>th</sup>, the finals of all the games were conducted, marking the conclusion of an exciting and competitive sports event.

# **Farewell**

The SKKES family bid farewell to students of Std.4 on 24<sup>th</sup> February 2025. It was a time filled with mixed feelings. The students were overwhelmed with the joy of going to the Secondary section and also were sad at the thought of leaving the Primary section. The highlight of the program was the special category awards. The program began with a song in which children showed their gratitude to each and every teacher. Children took part in fashion show and group dance. Farewell speech was given by the Head Boy and Head Girl. The main attraction of the programme was the announcement of Master SKKES and Miss SKKES. It was a memorable event.

# Prize Distribution

The annual prize distribution for the Intra School Competitions, held every month for the students of Std. 1 to 4 was conducted on 27<sup>th</sup> February 2025. Winners in each competition were delighted to receive certificates and prizes for the same.

The Star Child of each class and an Outstanding Student of each standard were honoured with a Trophy.

Std.	Outstanding student of the Year
I	Ms. Vidisha Rajesh Unarkat
II	Ms. Ziva Nilesh Nandu
III	Mst. Veer Sidharth Vasa
IV	Mst. Dharmik Sameer Dharamshi

**STAR CHILD I**

**STAR CHILD II**

**STAR CHILD III**

**STAR CHILD IV**

# Intra School Competitions Winners

Our school organized exciting competitions, where students from various classes participated. The competition comprised different activities such as English Expressive Reading, kite making, Newspaper Art, Spell Bee, and simple Science Experiments.

Our school Head teacher honoured the winners with prizes. This competition provided an excellent opportunity for students to showcase their talents and boost their confidence.

We look forward to our students continuing to display their skills in future events.

**ACTIVITIES**

**2024-25**

# World Tourism Day

Our Std. 4 students embarked on an exciting journey, sharing their vacation experiences and favourite travel destinations. To commemorate World Tourism Day, the class transformed into a vibrant travel gallery, showcasing the students cherished memories.

# World Environment Day

On the account of Environment Day, Std. 3 conducted Hindi activity. The children made a tree collage and wrote sentences related to the uses of trees. Children enjoyed the activity, and they learnt the importance of trees in their lives.

# World Art Day

Mandala is a Sanskrit word meaning 'circle'. A mandala is a geometric configuration of symbols used in many parts of India, especially in Rajasthan and Kerala. The students of Std. 4 beautifully coloured the Mandala art pictures while learning about different patterns and symmetry in Math subject.

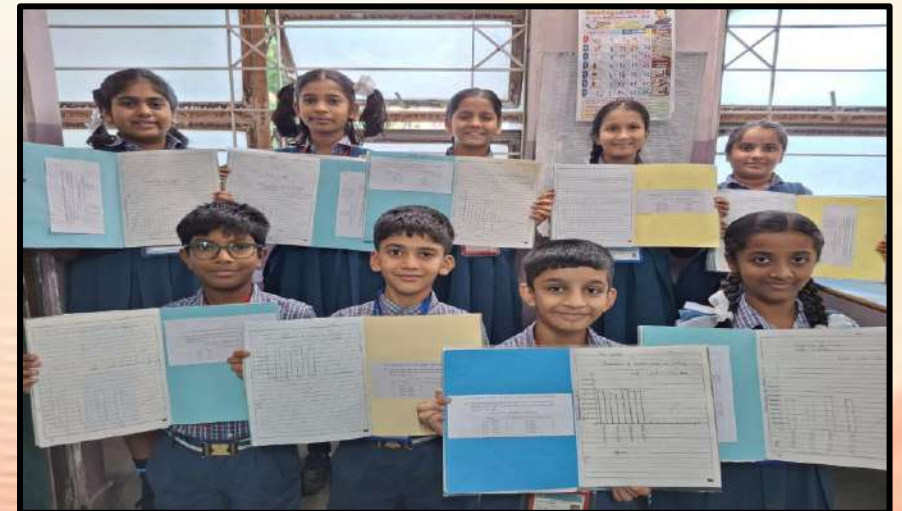

# World Food Day

Students of Std. 2 brought home made food and shared it with their classmates. Each class was asked to bring different food items and then it was shared amongst all 4 classes

Students of Std. 4 were made aware of the nutrition and healthy millets through Math activity. Data of millets grown over the years in India was given to the students. They read, understood, drew a bar graph and answered the questions

# National Sports Day

Sports are very important for health and in the absence of sports equipment, it becomes difficult to play any game. Therefore, in the absence of toys, students were encouraged to make their own toys with their own hands. An activity was organised for Std.2 correlating the Hindi language subject with International Sports Day, so that students could learn to make balls for themselves.

Students learned to make balls from scraps of old clothes and old socks.

The National Sports Day of India is celebrated on August 29 every year. To enhance the need for sporting activities in life, the students of Std. 4, did an activity in Math subject on the topic, Area and Perimeter – Calculating the area of an irregular figure, of a ball specifically a football.

This activity was correlated with importance of sports. Students were encouraged to play different games and sports to keep their body healthy, fit and strong.

# World Animal Welfare Day

World Animal Welfare Day is celebrated on 4<sup>th</sup> October each year to raise awareness about animal welfare and rights. It's a day to take action against animal cruelty neglect, and unfair treatment. Students of Std. 2 participated in the fun-filled races. Races like frog race, crab race, elephant race and monkey race were organised to understand the different style of walk by different animals correlating with the lesson Animal life in EVS subject. They also learned how to take care of pet animals and stray animals through the video shown and explained by the teachers.

# World Soil Day

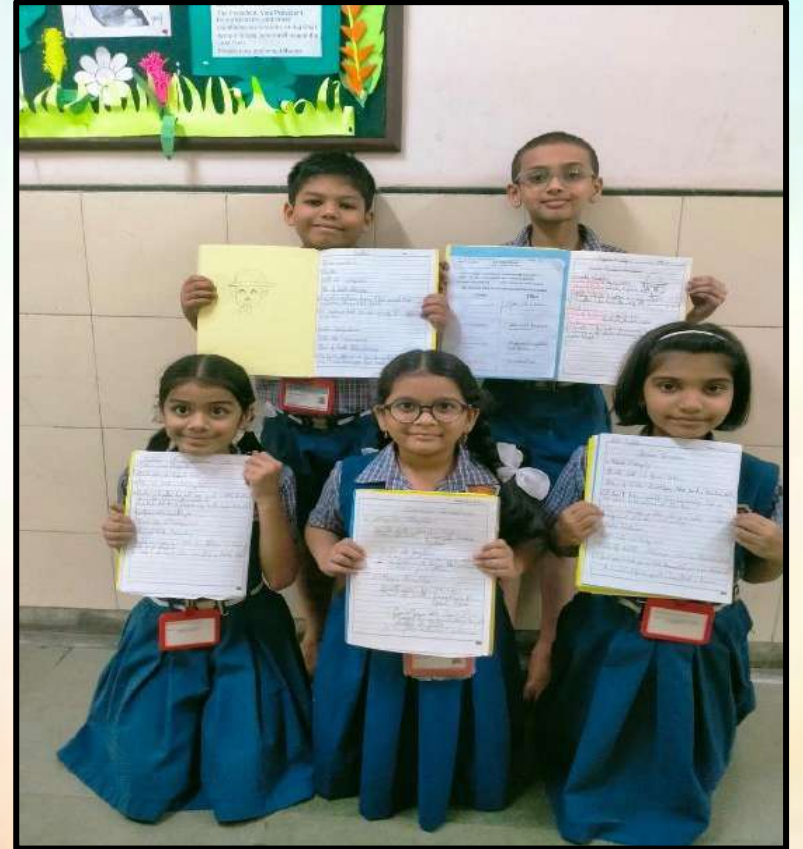

Celebrating World Soil Day Students of Std. 3 solved a comprehension worksheet on the story of the farmer and earthworms – his best friends. The valuable lesson learnt was that the smallest creatures can make the biggest difference.

# World Famous Comedian Day

Students of Std. 3 were asked to write about any 2 comedians. They wrote the birthdate and birthplace of the comedians. They also wrote quotes on laughter.

# Inspiring Personalities

Students of Std. 3 had dressed up as their favourite inspirational personality. They introduced themselves as the personality they portrayed and spoke about it. This activity aimed to encourage creativity, confidence and an appreciation for inspirational role models.

# World Laughter Day

On the occasion of World Laughter Day, students of Std.3 laughed, played and enjoyed a series of laughter exercises that promoted joy and well-being.

Each student created a palm print artwork and wrote things that made them happy, fostering a sense of gratitude and positivity.

# World Ozone Day

The United Nations General Assembly proclaimed 16<sup>th</sup> September as the International Day for the Preservation of the Ozone Layer. On 28<sup>th</sup> January 2025 Students of Std. 4 did a science activity on the lesson Pollution. They made posters depicting the pollution caused by human activities, giving a message, 'How we can reduce pollution' and also slow down the impact of climate change.

# National Nutrition Week

National Nutrition Week in India is celebrated from 1<sup>st</sup> to 7<sup>th</sup> September each year. It is a week of health-related activities and campaigns to raise awareness about the importance of nutrition, to improve the nutritional status of the population, to encourage healthier eating habits and to address malnutrition issues.

Students of Std. 2 celebrated National Nutrition Week by bringing green leafy vegetables and raw food salad in their tiffins. The lesson Plant Life was correlated to nutrition. Inculcating habit of eating healthy and nutritious food was explained to the students.

# Makar Sankranti

To mark the significance of Makar Sankranti, students of Std. 1 decorated a kite using decorative materials. This activity made them aware about the importance of kites as a symbol of creativity and freedom

Thumb print activity on a cotton handkerchief was conducted by the students of Std.1. This art encouraged children to express their creativity and imagination. Children observed and created patterns using colours on the handkerchief. They also learned about the significance of cotton clothes, such as its texture and absorbency.

# Colours of Culture

An activity of traditional attire was conducted in Std 2. Students clicked a photo in their traditional dress and stuck it in their notebook. They also wrote their name, the place they belong to and the language they speak. The activity was conducted to show the importance of unity in diversity.

# Art Integrated Activity

Art integration activities Drawing and Craft activities are important to relate to Art integrated ( subject wise - English, Math, Social Studies, Hindi etc ) . Std. 1 to 4 all divisions are enjoying these activities and developing their creativity expression.

# SCHOOL MAGAZINE

The much-anticipated school magazine Spectrum was officially released on 8<sup>th</sup> February 2025 in a vibrant and inspiring ceremony. The magazine, known for capturing the creative spirit and intellectual achievements of our students, showcases a wide range of articles, poems, artwork and thought-provoking essays contributed by students across all grades. This year's edition reflects the diverse talents and perspectives of our school community, offering a platform for students to express their creativity and share their unique voices. The release event was graced by the School Management, teachers and students making it a memorable occasion. Spectrum continues to serve as a testament to the school's commitment to fostering creativity, critical thinking and a love for learning among students.

As the school year draws to a close, let's pause and look back on the incredible journey we've shared. From overcoming obstacles to reaching new milestones, this year has been filled with both challenges and triumphs and through it all we have grown stronger together. Each step has shaped us and as we look ahead, we carry forward the strength, knowledge and memories we've gained. This is not just the end of a year; it's a foundation for the future, filled with endless possibilities. From acquiring new skills to forging lasting friendships. We've shared countless memorable moments together. We are truly grateful to every student, teacher and families for their relentless support, enthusiasm and commitment to our shared journey. Your constant support has been instrumental in creating a thriving, vibrant school community, reinforcing the bonds that make our school such a special place. Summarizing with a quote by Leonardo da Vinci that we wish you all live by **"Learning never exhausts the mind; it only ignites it."**

As we head into new academic year, we hope everyone continues to learn, explore and grow. Certainly, there are a lot of things in store for all to achieve. We eagerly look forward to achieve great heights together in the future. Thank you for your dedication and have an energetic and fun-filled new academic year.

**Primary Headmistress**

**Ms. Shabina Tanweer**

**Best Wishes  
for New  
Academic Year**
